

# LOHMILLER & COMPANY BUILDING AUTOMATION

Bringing Buildings to Life, One Smart System at a Time!

## Building Automation Systems:

## Gas Detection Systems:

## Building Analytic Platforms:

## Field & Peripheral Devices:

Variable Frequency Drives

Temperature & Humidity Sensors, Gas Detection

Flow Metering Device's

Badger Meter

Air Quality Sensors, Dampers & Actuators, Valves & Actuators

Valves & Actuators

Low Voltage Wire & Cable

Network & BACnet Gateways

Variable Frequency Drives

Power & Energy Monitoring

Air Quality Sensors, Air Velocity, Dampers, Valves & Actuators, Fluid Sensing, Humidity Sensing, Pressure Sensing, Signal Converters, Temperature Sensing, Wireless Devices

Pressure & Flow Instruments

Temperature Sensing Devices and HVAC Sensors

Wireless Sensors & Devices

Smart Thermostats

Wireless Sensors & Devices

Smart Thermostats & Sensors

Air Quality Sensors, Air Velocity Sensors, Humidity Sensing, Pressure Sensing, Signal Converters, Temperature Sensing

Control Panel Products

Access Controls & Security Solutions

Relays, Timers & Switches

Network & BACnet Gateways

Variable Frequency Drives

Network & BACnet Gateways, Touch Panels

Air Quality Sensors

Air Quality Sensors

Current Sensing, Panel Products, Power, Relays

Thermostats

Air Velocity Devices, Damper & Actuators

Relays & Power Distribution Components

Light Sensing

Pressure & Current Sensing, Relays Water & Leak Detectors

Room Pressure Monitoring, Power Meters, Pressure Sensors and HVAC Sensors

Variable Frequency Drives

Low Voltage Wire & Cable

Valves & Actuators

Network Connectivity

Wireless Sensors & Transmitters
